

21-Contd  
-- 20. The combination according to Claim 12 comprising as chemotherapeutic agents 5-fluorouracil and leucovorin, for treating a gastrin-dependent colorectal tumor in a patient. --

REMARKS

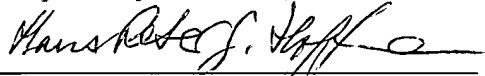

The original set of claims of the above-identified patent application has been amended with the addition of the new claims 12-20. No new matter has been added since all the claims are supported throughout the Specification.

Early acceptance of the claimed invention is herewith solicited.

The Commissioner is authorized to charge any fee which may due in connection with this amendment to Deposit Account No. 23-1703.

Dated: November 14, 2000

Respectfully submitted,

Hans-Peter G. Hoffmann, Ph. D.
